

Good Governance for Nonprofit Organizations: Case Study Session #2

Join us for our next interactive session on what nonprofits need to know about compliance with legal requirements and public disclosure rules.

During this facilitated discussion, our virtual "Board of Directors" will examine a new case study and discuss the importance of good governance practices. Learn how your nonprofit peers are addressing concerns, and make connections that will support your organization's efforts. Our session will touch upon practical guidelines for nonprofit governance and real world conflicts.

Session Topics:

- Nonprofit Governing Bodies
- Board Best Practices
- People Management
- Organizational Evaluations
- Compensation Issues
- Reporting Structures
- Resolving Controversies
